**How to Read the Finals Schedule**

1. Find the time your class meets for the **FIRST TIME** of the week. (e.g. Biology 261-01 meets MWF at 10:00am.
2. Look for **M10 (Monday, 10:00)** on the schedule.
3. That abbreviation appears under **WEDNESDAY, DEC 16** from 10:00 – 11:50. This is the time the final is scheduled for that class.

**REVISED:** Faculty please note change on Thursday, December 17<sup>th</sup>- 10 am and Friday, December 18<sup>th</sup>- 10am.
