Statement of Support for Dependent Student

Student's Name _____ Social Security Number _____
(please print)

Please explain how your parent(s) supported their household in 2007. What was the total amount your parent(s) paid in 2007 for the expenses listed below. This form is to help determine if certain money or support received in 2007 should be reported as untaxed income. **Parents must complete.**

Money paid on your parent(s) behalf:

Untaxed Income is any **money given** to your parent(s) by any individual for any purpose in 2007. It is also any amount that was **paid on your parent's behalf** for a bill in their name(s). For example, if someone paid the rent for their housing or paid their car insurance, these payments would have to be reported as untaxed income on your FAFSA. **Do not list** the amount your parent(s) owe for each month, **list only** the amount paid on their behalf for the following item(s).
