

FLATHEAD VALLEY COMMUNITY COLLEGE

Policy and Procedures Manual

CHAPTER IX - PLANNING AND RESEARCH

SECTION 10: PLANNING AND RESEARCH*

Adopted: September 25, 2000

PLANNING AND RESEARCH POLICY

The President, as chief administrative officer of the College, will ensure an effective planning and research process. This process will be designed to assess the quality and cost-effectiveness of the College's instructional and support programs, to address those concerns of the Board of Trustees that may arise from time to time, and to prepare required reports internal and external to the College or as required of the institution.
