

FLATHEAD VALLEY COMMUNITY COLLEGE**Policy Manual****CHAPTER XIII - INFORMATION SYSTEMS****SECTION 30: ACCEPTABLE USE**

Approved: March 23, 2009

Access to Flathead Valley Community College's computers and network services is granted subject to College policies and federal, state, and local laws. The use of any computer equipment owned by and/or used under the auspices of Flathead Valley Community College by anyone, including students, employees, and members of the community, whether initiated from a computer located on or off-campus, shall be in compliance with the software license granted to the licensee (Flathead Valley Community College or the individual who purchased the right to use said software) by the licensor (the software publisher) of the software being used, and in accordance with the College's Procedural Guidelines for Appropriate and Acceptable Use of Campus Computer Systems (also known as the Acceptable Use Policy).
