Discussion Items:

- Marlene Stoltz reminded the committee of her request for permission to grant course equivalencies. Social Science Division Chair, Marlyn James, gave verbal permission.

- AP/IB: Marlene Stoltz asked for faculty/division input on whether they will accept a letter grade instead of an “S” for students with IB/AP courses. Each department would need to assign a letter grade to each score for their tests. Currently, the college can only accept 15 “S” credits, although AP/IB students can earn up to 30 credits before high school graduation.
