

Continuing Education Non-credit Courses

2018 Spring Semester • January-May

The Continuing Education Center office hours are 8 a.m. to 5 p.m., Mon.-Thurs. and 8 a.m. to 4 p.m. on Fri.
Please call the Continuing Education Coordinator Jan Meadows at 293-2721, x235 for more information.
All courses take place at FVCC's Lincoln County Campus,
225 Commerce Way in Libby, unless otherwise specified.

HEALTH, FITNESS, AND RECREATION

Geology of Kootenai Kountry

Derek Feeback

Come and hike with Derek as he takes us to places that demonstrate the different geology of our beautiful region. Pack your camera, lunch, outdoor attire and gear, and enjoy the day.

Saturday, April 21 @ 11a.m.-4p.m.

\$40 | Meet at the college to travel. | CE-100

Journaling: Exploring the Little North Fork Falls

Jan Meadows

Do you know where these "secret" falls are? Talk about a photo op! Ever wanted to creatively journal daily activities and outdoor adventures? Learn from a previous park ranger some "secret spots" to visit and how to begin a written journal to record happenings. Wear proper outdoor attire, and bring water, camera, binoculars and a dish to share for a picnic!

Saturday, April 28 @ 11 a.m.-4 p.m.

\$40 | Room 117 & the Great Outdoors | CE-101

Fly Fishing 101 (6 Weeks)

Dave Blackburn

Learn from one of the best fly fishermen in the Northwest! Fly Fishing 101 will consist of four classroom sessions and one class on the river. Topics to be covered include: intro to fly fishing, fly fishing equipment and gear, knot typing, casting, insect identification, reading water, fishing techniques and conservation.

Tuesdays, April 3, 10, 17, 24 & May 1 & 8 @ 7-8:30 p.m.

\$55 | Room 115 & the Kootenai River | CE-102

Fly Tying for Kootenai Country (6 Weeks)

Dave Blackburn

Fly-tying patterns will be taught step-by-step by one of the best anglers in the Northwest. Dave owns Kootenai Angler and will demonstrate the best ways to use flies to catch the famous trout of the Kootenai River. Take advantage of this rare opportunity to learn how to use the tools necessary to tie your own flies.

Thursdays, March 1, 8, 15, 22, & April 5 & 12 @ 7-8:30 p.m.

\$55 | Room 115 | CE-103

GENERAL EDUCATION

Basic Obedience Training for Dogs (7 Weeks)

Terry Crooks, CGC Evaluator

Participants bring and train their own dogs on leash. Basic commands are taught with social integration. Bring vaccination records to the first class; don't bring your dog until the second class. Class will be held outdoors, so dates may change depending upon weather conditions.

Sundays, April 1, 8, 15, 22, 29 & May 6, 13 @ 2-3 p.m.

\$60 | Fred Brown Riverside Pavilion | CE-200

Beginning Banjo (4 Weeks)

Dave Blackburn

Master the banjo with one of the best musicians in Lincoln County. Learn the basics and enjoy picking and grinning!

Tuesdays, Dates TBA @ 6-7 p.m.

\$40 | Room 113 | CE 201

Beginning Guitar (6 Weeks)

Ann Mason

Ages 12 and up

This is a class for the absolute beginner. You will learn basic guitar chords and scales, easy note reading from tablature and tips on musicianship. Bring a guitar!

Mondays, Jan. 29, Feb. 5, 12, 19, 26 & March 5 @ 5-6 p.m.

\$55 | Room 111 | CE-202

Community Choir or Join the "LCC Glee Club!" (4 Weeks)

Randy Kohler

Come and join the fun of singing! Learn basic vocal techniques, how to harmonize, proper breathing, pitch, and how to express yourself and experience the joy of singing with a group.

Wednesdays, April 4, 11, 18, 25 @ 5:15-6:15 p.m.

\$30 | Room 115 | CE-203

Digital Camera Basics (2 Days)

Kathy Nielsen

Take the mystery out of going digital! Although not camera specific, this course will help you understand how to operate digital cameras by discussing the most common modes and features of today's cameras. Bring your own camera and manual.

Tuesday & Thursday, March 13 & 15 @ 5:30-8:30 p.m.

\$40 | Room 117 | CE-204

Composition Techniques for Nature Photography (2 Days)

Kathy Nielsen

Do you enjoy taking pictures but have a difficult time getting the photo you want? Composition, which is camera independent, is one of the key elements in photography and is a skill that can be learned.

Tuesday & Thursday, March 20 & 22 @ 5:30-8:30 p.m.
\$40 | Room 117 | CE-205

Advanced Digital SLR Techniques (2 Days)

Kathy Nielsen

Geared specifically for digital SLR (DSLR) owners, this course will help you advance your knowledge of the operation of your camera beyond the basics. You must have taken the Digital Camera Basics or have suitable working knowledge of the basics of your DSLR. Bring your DSLR camera and manual.

Tuesday & Thursday, April 10 & 12 @ 5:30-8:30 p.m.
Fee: \$40 | Room 117 | CE-206

Photo Management

Kathy Nielsen

Learn how to manage all those hundreds of photos so you can easily find what you need. The windows software package of Studioline Photo Basic 4 Freeware will be used for this class. Bring your own laptop and images to work with. Software will be provided on a CD or flash drive.

Tuesday & Thursday, April 17 & 19 @ 5:30-8:30p.m.
Fee: \$40 | Room 117 | CE-207

Learn Conversational Spanish (4 Weeks)

Eileen Carney

Learn some of the basic things you need to know when you travel abroad or speak to someone from a Spanish speaking country, including how to introduce yourself, ask important questions, bargain in the market and figure out a train schedule. You will learn correct pronunciation and how to count money and appropriately approach strangers. This will be a fun, interactive class.

Thursdays, Feb. 8, 15, 22, and March 1 @ 5:15-7:15 p.m.
Fee: \$30 | Room 113 | CE- 208

Spring Medicinals

Heather Todd

Learn to make herbal remedies that help your body bounce back from winter stagnation. We will discuss how to make infused oils, salves, tinctures and syrups using mostly herbs that commonly grow in our area. Each class will start with a discussion of materials and herbs, then we will make samples. Each student will have samples to take home along with recipes and handouts. Supplies fee \$20.

Wednesdays, March 7, 14, 21 & April 2 5:15-7:15
Fee: \$44 | Room 210 | CE-209

Interactive French

Heather Todd

Learn spoken French through interactions and scenarios that will give you the ability to speak French in a variety of contexts, including how to order in a restaurant, purchase train tickets, get a hotel room, ask for directions and greet people. For beginners or others who want to brush up on their French conversation.

Wednesdays, April 4, 11, 18, 25, May 2, & 9 @5:15-7:15 p.m.
Fee: \$44 | Room 111 | CE-210

Balancing Health through Eastern Medicine

Heather Todd

Learn about the complex five element system in Chinese medicine to better understand yourself and create a more balanced life. Gain an understanding of which elements are personally dominant and how they affect your everyday life. We will learn how the five elements affect personality, different body systems and organs. Each person will finish the class with a notebook to help them achieve optimal health.

Thursdays, May 3, 10, 17, & 24 @ 5:15-7:15 p.m.
Fee: \$44 | Room 111 | CE-211

Great Stories and How They Are Written

(4 Weeks)

In memory of our teacher, John Herrmann; now taught by "The Usual Suspects"

Expect lively classroom discussions in this examination of what makes a great story. Students may turn in a short story they have written for critique by the group.

Tuesdays, May 8, 15, 22 & 29 @ 3:30-5 p.m.
\$40 | Room 111 | CE-210

Montana History-A Short Course (2 Days)

Bob Malyevac

Take a journey through the geography and history of Montana, from the Lewis and Clark expedition to the fur trade era to statehood and modern-day Montana.

Monday & Wednesday, Feb. 26 & 28 @ 5:30-7:30 p.m.
\$30 | Room 117 | CE-211

PERSONAL & PROFESSIONAL DEVELOPMENT

Amateur "Ham" Radio Technician License Prep

John Boyke

Obtain the knowledge required to pass the Ham Radio Technician exam. Earning the technician license requires passing a 35-question examination on radio theory, regulations and operating practices. This license will give you access to all Amateur Radio frequencies above 30 megahertz, allowing you to communicate locally and across the U.S. The process of how to cheaply obtain radio equipment will be discussed. A technician license examination will be scheduled following this class for anyone interested.

Wednesdays, Feb. 7, 14, 21, 28 & March 7 @ 4:15-6:15 p.m.
\$60 | Room 117 | CE-214

OSHA 10 Training (2 Days)

Shawna Page

This 10-hour training is for contractors and construction workers who work on job sites. OSHA's rules and regulations for maintaining a safe work site will be covered.

Tuesday, March 6 @ 1-5 p.m. & Wednesday, March 7 @ 8 a.m.-3 p.m.

\$200 | Room 127 | CE-215

Pilot Escort Vehicle Class (1 Day)

Shawna Page

Receive basic training to escort an oversized load. Take this course with the flagging Certification Class to be eligible for more employment opportunities.

Thursday, March 8 @ 8-5 p.m.

\$225 | Room 111 | CE-216

Flagging Certification Class (1 Day)

Shawna Page

This six-hour class will prepare you to take the Flagger Certification test as required by the Montana Department of Transportation to flag construction projects. The card issued upon completion is good in four states for three years. In addition to this class, students can take the Pilot Escort Vehicle Class to be eligible for more employment opportunities.

Friday, March 9 @ 8:30 a.m.-2:30 p.m.

\$165 | Room 117 | CE-217

ARTS & CRAFTS

Beginning Pastel, Watercolor or Oil Painting Workshop, 1 (3 Weeks)

Anna Petrash

Beginning Pastel, Watercolor or Oil Painting Workshop, 2 (3 Weeks)

Anna Petrash

Continuing workshop with these dates:

Thursdays, March 8, 15, 22 @ 5:30-7:30 p.m.

\$41 | Room 210 | CE-301

Beginning Pastel, Watercolor or Oil Painting Workshop, 3 (3 Weeks)

Anna Petrash

Continuing workshop with these dates:

Thursdays, May 10, 17, & 24 @ 5:30-8:30 p.m.

\$41 | Room 210 | CE-302

Beginning Pastel, Watercolor or Oil Painting Workshop, 4

(3 Weeks)

Anna Petrash

Continuing workshop with these dates:

Thursdays, May 11, 18, 25 @ 5:30-7:30 p.m.

\$41 | Room 210 | CE-303

The Art of Beginning Make-up Techniques

Lauren Coon (1 Day)

Learn color contouring to accentuate your best features, find a color palette to suit each individual and learn how to make bargain make-up work. Bring your own make-up to class and the instructor will share her best beauty secrets.

Wednesday, Feb. 21 @ 5:15-7:15 p.m.

\$15 | Room 122 | CE-304

Basic Basket Weaving (1 day workshop)

Janet Miller

Learn to construct a beautiful handwoven reed basket based on the "principle" of weaving. Four basic weaves will be taught with different triple twine and patterns. Students will finish a medium-sized basket to take home. Supplies are available for purchase by the instructor. Estimated basic cost of supplies is \$30.00, plus the cost of the class itself.

Friday, March 16, 9:00 a.m.-3:00 p.m.

\$36 | Room 210 | CE-305

COMPUTERS

Computer Jumpstart (4 Days)

John Boyke

Learn the basics necessary to begin using Windows and word processing software. After taking this class, you will be able to create, save, delete, copy, move and locate files on your computer.

Wednesdays, Jan. 31 & Feb. 7, 21, 28 @ 4:15-6:15 p.m.

\$55 | Room 123 | CE-500

Exploring Windows 8 (4 Weeks)

John Boyke

This class is designed specifically for people who have little or no knowledge of Windows 8. After taking this class, you will be able to find and use with confidence all the hidden features of Windows 8.

Tuesdays, April 4, 11, 18, 24 @ 4:15-6:15 p.m.

Fee: \$55 | Room 123 | CE-501

Excellent Excel for Beginners: Formulas & Functions (3 Days)

John Boyke

Put Excel to work for you with the ability to do calculations, balance your checkbook and more. Learn to use formulas and functions to do worksheet calculations and display the results.

Wednesdays, March 7, 14, 21 @ 4:15-6:15 p.m.

\$40 | Room: 123 | CE-502

To register, call 293.2721

Free Classes for Veterans: Computers

Connie Malyvac (3 Weeks)

This course is for veterans with basic computer skills who would like to develop more advanced skills. We will use Microsoft Word for editing, formatting and enhancing documents. Basic typing skills are required to participate in this class.

Mondays & Wednesdays, Feb. 19, 21, 26, 28 & March 5 & 7 @ 11 a.m.-1:30 p.m.

FREE! | Room 123 | CE-503

iPad Workshops for Veterans (2 Days)

Connie Malyevac

This course is for veterans who are interested in learning how to navigate apps on an iPad. Veterans Upward Bound supplies iPads for in-class use only.

Mondays & Wednesdays, April 16 & 18 @ 11 a.m.-1:30 p.m.
FREE! | Room 113 | CE-504

All veterans, please note! Veterans may take any Continuing Education class for free as long as it does not cost more than \$100, thanks to MSU Veterans Upward Program. To enroll and find out more information, call Jan at 293-2721.

Facebook and Friends

John Boyke

Become a Facebook fanatic and exchange photos and greetings with your friends on social media.

Tuesday, April 17 @ 4:30-6:30 p.m.

Fee: \$15 | Room 117 | CE-505

Android Phones Basics

John Boyke

Want to discover what your phone can do for you? Find out the latest apps and information to help use phones "The Smart Way."

Tuesday, April 10 @ 4:30-6:30 p.m.

Fee: \$15 | Room 113 | CE 506

If you have any ideas on classes you would like to take, please let Jan know. Stop by LCC and have a cup of coffee while discussing the possibilities or call 293-2721 x235.
