Fall 2018

Schedule of Credit & Non-credit Courses

Get to know your community college for Libby, Troy and the surrounding paradise of Lincoln County. Our mission is to meet the educational needs of our neighbors and contribute to our community's growth and prosperity. We look forward to helping you accomplish your educational goals.

Fall Credit Courses	Pages 3-4
Online Credit Courses	Pages 4-7
Fall Non-credit Classes	Pages 7-8

Fall Semester begins August 29, 2018

If you seek financial assistance to help pay for your education, you will need to be admitted to FVCC and have your financial aid file completed early in order to receive your award notification prior to the beginning of the semester.

Lincoln County Campus
225 Commerce Way
Libby, MT 59923
(406) 293.2721

FVCC's Lincoln County Campus offers the following degrees, certificates and licensures:

Associate of Arts degree (AA)

- ◆ This two-year degree can be applied toward a bachelor's degree at all of the four-year institutions within the Montana University System.

Associate of Science degree (AS)

- ◆ This two-year degree can be applied toward a bachelor's degree at all of the four-year institutions within the Montana University System.

Associate of Applied Science degrees (AAS)

- ◆ Business Administration
- ◆ Health Care Office Management
- ◆ Medical Coding
- ◆ Registered Nurse (ASN)
- ◆ Support Professional: Management

Certificate of Applied Science degrees (CAS)

- ◆ Accounting Technology
- ◆ Entrepreneurship
- ◆ Licensed Practical Nursing (LPN)

Certificate of Applied Science degrees (CAS)

- ◆ Patient Relations Specialist (CTS)
- ◆ Commercial Driver's License (CDL) Training (L)

Which option is right for you? Do you want to transfer to a four-year college or university after you complete your education at FVCC?

Associate of Arts (AA) or Associate of Science (AS): FVCC offers two-year transfer degrees in general studies with suggested courses of study for a variety of possible majors allowing you to complete the first two years of your bachelor's degree before transferring to a four-year university with junior class status.

Do you want to enter the workforce after you complete your education at FVCC?

Associate of Applied Science (AAS): A two-year career and technical degree program designed to lead you directly into a career in your field of study.

Certificate of Applied Science: A short program of study, comprised of 30 to 45 credits and typically completed in one year, which prepares you for a career in a specific field.

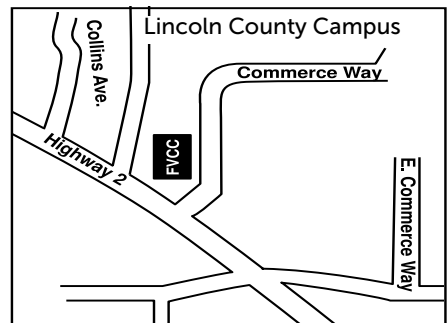

Certificate: A one or two-semester certificate program which prepares you for a career by focusing on developing the unique skill set required for that position.

Licensure Training: A short training program (generally one course) that gives you the knowledge needed to attain certification or licensure in your area of study.

For more information or to register, call Deb Huisentruit at 293.2721 or stop by campus to pick up a new student packet.

Continuing Education Non-credit Courses 2018 Fall Semester • September - December

FVCC LCC Continuing Education Center office hours: Monday - Thursday 8 am to 5 pm, Friday 8 am to 4 pm.

Call Jan Meadows at 293.2721, x235 for more information.

All courses take place at FVCC's Lincoln County Campus, 225 Commerce Way in Libby, unless otherwise specified.

Fly Tying for Kootenai Country

Dave Blackburn

Learn fly-tying patterns step-by-step from one of the best anglers in the Northwest. Dave owns Kootenai Angler and will demonstrate the best ways to use flies to catch the famous trout of the Kootenai River. Take advantage of this rare opportunity to learn how to use the tools necessary to tie your own flies.

Thursdays, Dates TBA 7-8:30 pm

\$65 Room 115 CE-103

Basic Obedience Training for Dogs (7 Weeks)

Terry Crooks, CGC Evaluator

Participants bring and train their own dogs on leash. Basic commands are taught with social integration. Bring vaccination records to the first class; don't bring your dog until the second class. Class will be held outdoors, so dates may change depending upon weather conditions.

Sundays, Sep 16, 23, 30;

Oct 14, 21, 28 & Nov 4 2-3 pm

\$70 Fred Brown Riverside Pavilion CE-200

Beginning Banjo (4 Weeks)

Dave Blackburn

Master the banjo with one of the best musicians in Lincoln County. Learn the basics and enjoy picking and grinning!

Tuesdays, Dates TBA 6-7 pm

\$40 Room 113 CE 201

Beginning Guitar (6 Weeks) - Ages 14 & up

Ann Mason

This is a class for the absolute beginner. You will learn basic guitar chords and scales, easy note reading from tablature and tips on musicianship. Bring a guitar.

Mondays, Oct 1, 8, 15, 22 & 29;

Nov 5 5-6 pm

\$55 Room 111 CE-202

Mandolin Basics - Ages 14 & up

Ann Mason

Learn how to play the mandolin! You will memorize basic chords and scales and learn to make music.

Mondays, Oct 1, 8, 15, 22, 29; Nov 5 6-7 pm

\$55 Room 111 CE 203

Digital Camera Basics (2 Days)

Kathy Nielsen

Take the mystery out of going digital. Although not camera specific, this course will help you understand how to operate digital cameras by discussing the most common modes and features of today's cameras. Bring your own camera and manual.

Tuesday & Thursday, Oct 9 & 11

5:30-8:30 pm

\$40 Room 117 CE-204

Composition Techniques for Nature Photography (2 Days)

Kathy Nielsen

Do you enjoy taking pictures but have a difficult time getting the photo you want? Composition, which is camera independent, is one of the key elements in photography and is a skill that can be learned.

Tuesday & Thursday, Oct 16 & 18

5:30-8:30 pm

\$40 Room 117 CE-205

Are you willing and able to teach a class in Continuing Education?
We would like to hear your ideas!

continued on next page

Advanced Digital SLR Techniques (2 Days)

Kathy Nielsen

Geared specifically for digital SLR (DSLR) owners, this course will help you advance your knowledge of the operation of your camera beyond the basics. You must have taken the Digital Camera Basics or have suitable working knowledge of the basics of your DSLR. Bring your DLSR camera and manual.

Tuesday & Thursday, Oct 23 & 25**5:30-8:30 pm****\$40 Room 117 CE-206****Find Your Photos! Photo Management**

Kathy Nielsen

Learn how to manage and organize your extensive collection of digital photographs with Windows StudioLine Photo Basic 4 Freeware. Bring your own laptop and some images to work with. The images can be on your laptop or on a camera storage card. The software will be provided on a CD or a flash drive.

Tuesday & Thursday, Oct 30 & Nov 1**5:30-8:30 pm****\$40 Room 117 CE 207****Learn Conversational Spanish (4 Weeks)**

Eileen Carney

Learn some of the basic things you need to know when you travel abroad or speak to someone from a Spanish speaking country, including how to introduce yourself, ask important questions and bargain at the market. You will learn correct pronunciation in this fun, interactive class.

Thursdays, Oct 4, 11, 18 & 25 5:15-7:15 pm**Fee: \$30 Room 113 CE- 208****Great Stories and How They Are Written (5 Weeks)**

George Neils, in memory of John Herrmann Stories will be discussed and critiqued with lively classroom discussions. Students may turn in a short story they have written.

Tuesdays, Oct 9, 16, 23, 30 & Nov 6**3:30-5 pm****\$45 Room 111 CE-209****Montana History-A Short Course (2 Days)**

Bob Malyevac

Take a journey through the geography and history of Montana, from the Lewis and Clark expedition to the fur trade era to statehood and modern-day Montana.

Monday & Wednesday, Oct 22 & 24**5:30-7:30 pm****\$30 Room 117 CE-210****Amateur "Ham" Radio Technician License Prep**

John Boyke

Obtain the knowledge required to pass the Ham Radio Technician exam. The technician license requires a 35-question examination and allows you access to all amateur radio frequencies above 30 megahertz, allowing you to communicate locally and across the U.S. For those interested, the license examination will be scheduled following the class.

Wednesdays, Oct 3, 10, 17, 24, 31;**Nov 7 4:15-6:15 pm****\$65 Room 117 CE-211****Beginning Pastel, Watercolor or Oil Painting Workshops (3 Week Sessions)**
