

All field trips and travel with students must receive prior approval. Once a trip is approved, the requesting individual is responsible for all aspects of the necessary coordination and arrangements, including a Permission to Travel form.

PROCESS:

1. Complete this form and submit it to your supervisor for approval at least two weeks prior to the date of the trip.
2. Upon approval, arrangements should be made with Business Services to reserve a college vehicle as necessary. **Business Services will not reserve a vehicle for travel with students without a signed and approved copy of this form attached to the Vehicle Request Form.**
3. Prior to departure, the employee must submit to their supervisor completed and signed "Accident Waiver and Release of Liability" forms and/or "Domestic Travel Release and Waiver" forms for each student participant.

The College reserves the right not to pay or reimburse for trips that do not follow the above process.
