**To all therapy and emotional support animal user/owners:**

Please read and sign the owner statement. If your emotional support animal fails to conform to all the standards listed in the statement, it may not be allowed in student housing. We appreciate your cooperation.

USER/OWNER STATEMENT  
FOR EMOTIONAL SUPPORT ANIMALS

As the user/owner of an emotional support animal, I make the following statements:

I have provided a health certificate signed by a licensed veterinarian indicating that my animal is up-to-date on all vaccinations and is on a wellness program with a veterinarian.

I understand I must be approved for the accommodation of an emotional support animal and receive a Disability Services for Students accommodation card signed by the disability services coordinator in order to have an animal in student housing.

If my emotional support animal is a dog, it has a current license and wears a valid vaccination tag at all times.

My animal is house broken, well-groomed, odor free, and not infected with external parasites (i.e., ticks, fleas or lice).

I understand that my animal must be on a leash at all times while on campus and/or must be controlled by verbal commands.

I understand that I am responsible for the sanitary disposal of my animal's waste.

I understand that I am liable and responsible for my animal's behavior and activities while on campus and in an approved campus facility, including property damage.

I understand that I must follow all procedures and requirements of an animal user/owner as outlined in the Animals on Campus Procedures.
