Single Studio Apartment	Shared Two-Bedroom Apartment

Spring 2021: \$3,304.80	Spring 2021: \$2,731.65

RENTAL COSTS, FEES, DEPOSITS

Rent includes all utilities and Wi-Fi internet. The application includes a \$200 application fee, which will convert to a \$150 deposit and \$50 application processing fee once a student moves into Founders Hall. Any damage beyond normal wear and tear to the apartment will be billed to the student and/or deducted from the deposit. The \$150 deposit will be refunded if the student submits an *Intent to Vacate* form by the posted housing cancellation deadline or when a student successfully completes his/her contractual obligation of this agreement and corresponding check-out paperwork with Residence Life staff, and if no damage charges are assessed. If charges are assessed, a proportional part of the deposit will be returned. There is a \$20 charge if a student fails to officially check-out with Residence Life staff and a \$50 room key charge if a student doesn't turn in the keys. Damage or outstanding debts owed to the college may also be assessed to the student's account. The deposit will be refunded by mail 30-45 days after fulfillment of the above conditions.

By accepting assignment in FVCC (College) student housing, the student agrees to live in the residence hall for the remainder of the semester and to comply with the terms and conditions of residence as outlined in this agreement. Under no circumstance may a student sell, transfer, or sublet his/her apartment to another person, including another student.

In the sole discretion of FVCC upon any violation of this agreement, College housing policies, College regulations, or other applicable law, or if, in the College's discretion, the health, safety or general well-being of the resident or others is threatened in any way, the resident may be provided with the opportunity to remedy the violation, may be immediately evicted, and/or may be referred for disciplinary action. In the event that a resident is provided the opportunity to remedy the violation and fails to do so to the College's satisfaction and within a reasonable time period, the resident may be immediately evicted and/or referred for disciplinary action.

Founders Hall Application & Agreement- 2020-2021 ACADEMIC YEAR

FVCC Residence Life reserves the right to refuse housing to any student. Occupancy is a privilege and continuation of this privilege is dependent upon reasonable and acceptable personal conduct, satisfactory academic progress, full-time academic status, and proper care of the apartment.

PAYMENT POLICY

Initial semester payment is due 10 business days prior to check-in. Once the posted cancellation deadline has passed, students will be financially obligated for the remainder of that semester, unless Residence Life can fill the spot. All pricing is on a semester basis and will be assessed to the student's account automatically after the posted housing commitment deadline. All fees for the first semester are to be paid in full prior to move-in unless payment by installments is selected. All installment payments are to be paid by the time indicated on the payment schedule. No reduction in housing fees are made for late arrival at the beginning of a semester, and no housing fee refund will be given for early departure at any time during the semester.

The residence hall will be open to receive new students beginning at 11:00 a.m. on the posted move-in date. Students may not occupy or leave personal belongings in the residence hall before this time unless they are participating in a College scheduled program, have prior approval from the Director of Residence Life, and pay an additional fee. Students who are not continuing their residence per the student housing agreement must vacate the premise by 11 a.m. on the posted move-out date.

ROOM ASSIGNMENTS

Priority for student housing is given to students enrolled in a minimum of 12 credits per semester (except for summer). Part-time students are eligible to live in the residence hall as space permits. Dropping to or below part-time status from full-time status does NOT automatically cancel a housing contract. Failure to cancel this application by the stated housing commitment deadline will result in forfeiture of the \$200 application fee and will also require the student to pay the entire semester's rent (unless Residence Life can fill the apartment with another student). FVCC reserves the right to assign roommates, consolidate students who are without roommates, and/or reassign students to different rooms in the event such reassignments are deemed necessary.

APPLICATION AND CANCELLATION OF HOUSING RESERVATION

Mail or submit the housing application to FVCC Residence Life along with the \$200 application fee. Complete applications will be processed on a first-come, first-served basis. All **new** applications are considered incomplete and will not be processed until FVCC receives the \$200 application fee and a signed acknowledgement statement found at the end of the application.

The entire \$200 application fee will be returned to the student, if the student cancels by the stated cancellation deadline or if Residence Life is unable to fulfill the student's housing request. Current residents who wish to terminate their contract for future semesters must complete an *Intent to Vacate* form by the posted housing cancellation deadline.

All forms can be found in the Residence Life Office or on the housing webpage at FVCC.edu/student-housing.
