

Lincoln County Campus Continuing Education Classes 2020 Spring Semester

The Continuing Education Center office hours are
8 a.m. to 5 p.m. Mon.-Thurs. and 8 a.m. to 4 p.m. on Fri.

Please call Continuing Education Coordinator Jan Meadows at 293-2721 x 235 for more information and to register for courses. All courses take place at FVCC's Lincoln County Campus, unless noted on the course description.

HEALTH, FITNESS, AND RECREATION

Geology of Kootenai Kountry

Derek Feedback

Come and hike with Derek as he takes us to places that demonstrate the different geology of our beautiful region. Pack your camera, beverages, outdoor attire and gear, and enjoy the day. A delicious BBQ lunch included with Derek's own Lazy D's BBQ sauce!

Saturday, May 16 @ 11a.m.-4p.m.

\$65 | Meet at the college to travel | CE-100

Glaciation: Walk where Glaciers Melted in Lincoln County (BBQ Lunch to Follow)

Derek Feedback

After leading the hike on some local trails, geologist Derek will cook a delicious BBQ lunch for students featuring his Lazy D's BBQ Sauce that he makes himself. Bring binoculars, camera and beverages, and wear hiking clothes.

Saturday, April 25, @ 11a.m.-4 p.m.

\$65 | Meet at the college to travel | CE 101

Basic Obedience Training for Dogs (7 Weeks)

Terry Crooks, CGC Evaluator

Participants bring and train their own dogs on leash. Basic commands are taught with social integration. Bring vaccination records to the first class; don't bring your dog until the second class. Class will be held outdoors, so dates may change depending upon weather conditions.

**Sundays, March 29; April 5, 19, 26, & May 3, 10 & 17
@ 2-3 p.m. or 3-4 p.m.**

\$75 | Fred Brown Riverside Pavilion | CE-102

Fly Fishing 101 (5 Weeks)

Dave Blackburn

Learn from one of the best fly fishermen in the Northwest! Fly Fishing 101 will consist of four classroom sessions and one class on the river. Topics to be covered include: intro to fly fishing, fly fishing equipment and gear, knot tying, casting, insect identification, reading water, fishing techniques and conservation.

Wednesdays, April 1, 8, 15, 22 & 29 @ 7-8:30 p.m.

\$75 | Room 115 & the Kootenai River | CE-103

Pilates: Get Ready for Swimsuit Season!

Marina

Marina is a dancer and Powerhouse Pilates instructor. Learn this form of low-impact exercise that aims to strengthen muscles while improving postural alignment and flexibility.

Wednesdays, March 4, 11, 18 & April 1 @ 5-6p.m.

\$35 Room 127 CE-104

GENERAL EDUCATION

Piano 101 for Kids (6 Weeks) group lessons

Lynn Barnes

Ages 6-12

Parents, take this opportunity to engage your kids with piano lessons! Our instructor has toured the world, playing to large venues. No make-up sessions will be allowed, but practice time can be arranged for students.

Mondays, March 2, 9, 16, 30; & April 6 & 13: 4-5p.m.

\$55 | Room 120 | CE 201

Piano 101 for Teens

Lynn Barnes
Ages 14-17

Learn how to play the piano from a local talented musician. Arrangements can be made with LCC to practice during the week. No make-up sessions will be offered.

Mondays, March 2, 9, 16, 30; April 6 & 13: 4-5p.m.
\$55 | Room 120 | CE 202

Piano 101 for Adults

Ages 18 & up
Lynn Barnes

Same as above classes. Inquire about private lessons.

Mondays, March 2, 9, 16, 30: April 6 & 13 6-7p.m.
\$55 | Room 120 | CE 203

Digital Camera Basics (2 Days)

Kathy Nielsen

Take the mystery out of going digital! Although not camera specific, this course will help you understand how to operate digital cameras by discussing the most common modes and features of today's cameras. Bring your own camera and manual.

Tuesday & Thursday; March 31 & April 2 @ 5:30-8:30p.m.
\$40 | Room 117 | CE-204

Composition Techniques for Nature

Photography (2 Days)

Kathy Nielsen

Do you enjoy taking pictures but have a difficult time getting the photo you want? Composition, which is camera independent, is one of the key elements in photography and is a skill that can be learned.

Tuesday & Thursday, April 7 & 9 @ 5:30-8:30p.m.
\$40 | Room 117 | CE-205

Advanced Digital SLR Techniques (2 Days)

Kathy Nielsen

Geared specifically for digital SLR (DSLR) owners, this course will help you advance your knowledge of the operation of your camera beyond the basics. You must have taken the Digital Camera Basics or have suitable working knowledge of the basics of your DSLR. Bring your DLSR camera and manual.

Tuesday & Thursday, April 14 & 16 @ 5:30-8:30p.m.
\$40 | Room 117 | CE-206

Photo Management (2 Days)

Kathy Nielsen

Learn how to manage all of your photos so you can easily find what you need. We will use the Windows software package of Studioline Photo Basic 4 Freeware. Bring your own laptop and images to work with. Software provided on a CD or flash drive.

Tuesday & Thursday, April 21 & 23 @ 5:30-8:30p.m.
\$40 | Room 117 | CE-207

Learn Conversational Spanish (4 Weeks)

Eileen Carney

Learn some of the basic things you need to know when you travel abroad or speak to someone from a Spanish-speaking country, including how to introduce yourself, ask important questions, bargain in the market and figure out a train schedule. Learn correct pronunciation and how to count money and appropriately approach strangers. This will be a fun, interactive class.

Thursdays, May 7, 14, 21 & 28 @ 5:15-7:15 p.m.
\$40 | Room 113 | CE- 208

Creative Writing Workshop

Caroline Patterson

Submit a story for Caroline to critique before the workshop; she is the Executive Director of the Missoula Writing Collaborative, and a former Stegner Fellow at Stanford University. Students will read each other's stories and comment on how to improve them in a positive manner, along with Caroline's expertise. Students will work on making edits to their stories on Friday and return on Saturday afternoon to finish. Take advantage of this opportunity, Libby writers!

Friday, May 8: 1-4p.m.
Saturday, May 9: 12-2 p.m.
Fee: TBA Room 117 CE:209

PERSONAL & PROFESSIONAL DEVELOPMENT

Amateur "Ham" Radio Technician License Prep

John Boyke

Interested in ham radio? Obtain the knowledge required to pass the Ham Radio Technician exam. Earning the technician license requires passing a 35-question examination on radio theory, regulations and operating practices. This license will give you access to all amateur radio frequencies above 30 megahertz, allowing you to communicate locally and across the U.S. The process of how to cheaply obtain radio equipment will be discussed. A technician license examination will be scheduled following this class for anyone interested.

Wednesdays, April @ 4:15-6:15 p.m.
\$60 | Room 117 | CE-210

ARTS & CRAFTS

Beginning Pastel, Watercolor or Oil Painting Workshop, 2 (3 Weeks)

Bring your acrylics or pastels and paint a still life or bring a photo of what you want to draw and paint.

Continuing workshop with these dates:

Tuesdays, March 3, 10, & 17 @ 4-6 p.m.

\$41 | Room 210 | CE-301

Beginning Pastel, Watercolor or Oil Painting Workshop, 3 (3 Weeks)

Anna Petrash

Continuing workshop with these dates:

Tuesdays, April 7, 14 & 21 @ 4-6 p.m.

\$41 | Room 210 | CE-302

Beginning Pastel, Watercolor or Oil Painting Workshop, 4 (3 Weeks)

Anna Petrash

Continuing workshop with these dates:

Tuesdays, May 5, 12 & 19 @ 4-6 p.m.

\$41 | Room 210 | CE-303

Learn the Art of Throwing a Pot

Jan Meadows

Want to learn how to throw a pot on a pottery wheel? We have a brand new kiln and wheels!

Help us break it in! Construction of a bowl will be taught along with basic glazing techniques, how to dry your pottery correctly, with color and artistic creation welcomed and encouraged. Classes are spread out in the calendar to allow for proper drying and firing. Supplies include clay and glaze. Glazes will be chosen during class and ordered from the Archie Bray Foundation.

Saturdays, March 7, 14 & April 4, 11 @ 11a.m.-3p.m.

\$130 | Room 213 | CE-304

Coil Pottery Techniques

Jan Meadows

Roll out long ropes of clay and piece together to form a pot made completely of coils, an ancient Greek technique that is really interesting and fun. Students may choose to throw a pot on the wheel and add coils to pot for a creative twist on the class. Supplies include clay and glaze. Glazes will be chosen during class and ordered from the Archie Bray Foundation. Bring a sack lunch.

Saturdays, May 9 & 23 @ 11a.m.-3p.m.

\$65 | Room 213 | CE-305

Sculpture in Clay

Anna Petrash

Play with clay and create an art object to cherish or give to family members. Sculpture will allow the inner artist to create a Masterpiece! Glazes will be ordered during first class. Supplies: \$30

Thursdays, March 5, 12, & 19 @ 4-6 p.m.

\$41 Room 213 CE-306

Sculpture in Clay, Workshop 2

Anna Petrash

Same continuing class as above; students can continue their work; and new students may start as well. Supplies: \$30

Thursdays, April 9, 16, & 23 @ 4-6 p.m.

\$41 Room 213 CE-307

Sculpture in Clay, Workshop 3

Anna Petrash

Same continuing class as above; students can continue their work; and new students may start as well. Supplies: \$30

Thursdays May 7, 14, & 21 @ 4-6 p.m.

\$41 Room 213 CE-308

Raku

Steve Thorstenson

Raku is a process in which pottery is removed from the kiln at bright red heat and subjected to smoking by being placed in containers of straw, which blackens raw clay and causes crazing in the glaze surface.

Raku techniques have a huge draw for many potters because of its excitement and unpredictability and the beautiful colors streaked with black.

Dates: TBA

COMPUTERS

Computer Jumpstart (4 Days)

John Boyke

Learn the basics necessary to begin using Windows and word processing software. After taking this class, you will be able to create, save, delete, copy, move and locate files on your computer.

Thursdays, April 2, 9, 16 & 23 @ 4:15-6:15p.m.

\$55 | Room 123 | CE-500

Exploring Windows 10 (4 Weeks)

John Boyke

This class is designed specifically for people who have little or no knowledge of Windows 10.

After taking this class, you will be able to find and use with confidence all the hidden features.

Bring your laptops with Windows 10 installed.

Tuesdays, May 7, 14, 21 & 28 @ 4:15-6:15 p.m.

\$55 | Room 123 | CE-501

Free Classes for Veterans: Computers

John Boyke

This course is for veterans with basic computer skills who would like to develop more basic computer ability. We will use Microsoft Word for editing, formatting and enhancing documents. Bring your D-14 when registering for class.

Wednesdays, April 8, 15, 22 & 29 @ 4:15-6:15p.m.
FREE for Veterans | Room 123 | CE-502

Facebook and Friends

John Boyke

Become a Facebook fanatic and exchange photos and greetings to your friends with social media.

Wednesday, May 27 @ 4:15-6:15
\$25 | Room 117 | CE-503

Android Phones Basics

John Boyke

Want to discover what your phone can do for you? Find out the latest apps and information to help use phones: "The Smart Way."

Thursday, May 28 @ 4:15-6:15 p.m.
\$25 | Room 113 | CE 504

Savvy Senior Citizen iPad Workshop

John Boyke

Learn how to navigate apps on an iPad. Bring your iPads and questions.
