Summer and Fall 2020

About the FVCC Emergency Fund: FVCC is committed to supporting student success. In these unusual and unprecedented times, we recognize that students may face unexpected challenges in reaching their educational goals and require short-term financial support to achieve success. This fund intends to provide emergency grants to help students meet urgent, basic needs such as food, housing, course materials, technology, healthcare and childcare. Students must complete a FAFSA in order to receive emergency funding although limited funding is available for students who have not filed a FAFSA. Applications must be completed a week before the end of the term the funds are needed. Running Start students are not eligible at this time.
