

FVCC Running Start - Placement Test

***Please note: these tests can only be taken once per semester, so it is important you take your time and do your best work. ***

1. Go to www.fvcc.edu
2. Scroll to the bottom of the page, and you will see a blue box. This box is at the bottom of every page of the website and has useful links and information.
3. Select "Eagle Online" from the link options.

4. Log into eagle online. Your **username** is your first name, middle initial, and last name as one word all in lowercase letters (Ex: Deanne L. Brown = deannelbrown). Your password is the uppercase word "NEW" and your six digit birthday (Ex: March 21, 1995 = NEW032195). Note that the log in page has this same reminder above the log-in box, and the number to our help desk is listed as well.

Username: Your first name, middle initial and last name - all lowercase - no special characters (ex: Sam T. Smith-Jones = samtsmithjones).
Password: The uppercase word "NEW" plus the six digits of your birthdate (ex: May 9, 1987 = NEW050987).

Be mindful of the need to change your password often, and keep it secure.

For help contact the MIS helpdesk at, (406) 756-3930, or helpdesk@fvcc.edu.

The login form has a 'Username *' field containing 'deannelbrown', a 'Password *' field with masked characters, a blue 'Log In' button, and a link for 'Forgot your password?'.

5. Once logged in, on the top of the page you will see a grid box. If you click on that box you will see the reading and writing placement that has been loaded to your account. Click on the placement test.

6. This will direct you to the placement test page. Scroll down, and you will see two links for both of the tests you need to take. Click on the links and complete the test. There is a video to help explain how to take the tests.
7. If you have any trouble logging in or taking your test please note that the Running Start Advisors will be able to assist you. Please email runningstart@fvcc.edu or call Shelley Eberhardy (406) 285-1523 or Beth Romain (406) 756-3923.
