The Montana Department of Public Health and Human Services (DPHHS) has requested that we seek your consent to share your/your child's immunization data with the DPHHS Immunization Information System (IIS). DPHHS may release IIS data to other public health agencies as well as to your/your child's healthcare providers to assist in your/your child's medical care and treatment. In addition, DPHHS may release IIS data to schools in order to comply with immunization requirements. Also, if you do not check the "I Opt In" box at this time, you can always choose to opt out at a later time and/or have your/your child's immunization record removed at any time by contacting your county's health department. You understand that any such revocation will be not effective as to uses and/or disclosures already made in reliance upon this authorization.

THIS IS NOT A CONSENT TO RECEIVE ANY IMMUNIZATION, IT IS ONLY A CONSENT TO REPORT YOUR/YOUR CHILD'S IMMUNIZATION DATA TO THE DPHHS IIS. Therefore, if you do not check the "I Opt Out" box, we will collect and enter your/your child's immunization records into the DPHHS database.

☐ YES, I OPT OUT OF THE DPHHS IMMUNIZATION SYSTEM
