Completed and signed application and requested materials must be received by:

5 PM on April 24, 2026

NO LATE APPLICATIONS WILL BE ACCEPTED

Please read the information on the next four pages for how to apply to the FVCC ASN program.

FVCC ASN PROGRAM APPLICATION STEPS

1. **Apply for Admission** to FVCC and submit all official transcripts to FVCC Registrar.
2. **Obtain the most current information and application packet** for the ASN Program from the FVCC website, the pre-nursing advisor, or from the FVCC Nursing Office.
Please be sure to use the most current information packet and application as updates are made each year.
3. **Review** the application requirements for the ASN Program.
4. **Compile ALL** the requested material listed below. Please have someone else review your application when it is complete to ensure that all items are included.
5. **Sign and submit application.**
6. **If you are selected for an interview** as the last step of the application process, interviews will take place **the week of June 1, 2026**. EXPECT TO RECEIVE AN EMAIL INVITATION TO INTERVIEW BY **May 22, 2026**. **Interviews are in person only**. Interested applicants need to ensure they are available.

REQUIRED APPLICATION MATERIALS:

1. **Applicant Age:** must be at least 18 years of age to apply.
2. **Application:** A **PRINTED** and completed ASN Application (pages 5-10) with your signature and \$20 application fee **RECEIPT**. Payment must be made at the FVCC Business Office. Applications missing signatures or payment receipts are considered incomplete.
3. **Kaplan Nursing School Admissions Test:** Applications are not complete until the Kaplan Test score is received by the FVCC Nursing Department prior to the application deadline. The Kaplan exam must be taken each application cycle and may be repeated once prior to application deadline. See the most recent information packet at www.fvcc.edu/nursing for more information on taking the Kaplan Nursing School Admission Test. Contact the nursing department assistant, Cathy Fabel, at cfabel@fvcc.edu, or 406-756-3385 to schedule your Kaplan exam.
4. **Complete Prerequisite Courses.** Minimum grade of "C" required for all pre-requisite courses. All science courses (BIOH 201/211, CHMY 121, BIOM 250) must be completed within 5 years of application to the program. Individuals must achieve a B- in BIOH 201 and 211.
 - a. **Exceptions:**
 - i. Currently licensed LPNs who wish to apply for placement in the ASN program will have the 5-year rule waived if they have taken the required pre-requisites as part of their LPN degree.
 - ii. Currently licensed LPNs who do not have the required pre-requisites must complete them and achieve the required grade for each course (BIOH 201/211 B-, all other pre-requisite classes a minimum of C).
 - iii. Individuals who have completed these courses as requirements for other

completed degrees and the courses are outside of the 5-year requirement may request evaluation by the Nursing Program Director for a possible exception.

5. Transcripts and Evaluation of Transfer Courses:

- a. Official transcripts must be on file in the FVCC Registrar's office for evaluation before equivalents or substitution can be considered.
- b. Copies of transcripts must be included in your application from **ALL** schools you have attended, including FVCC. These can be copies of transcripts printed from your student portal. Applications without transcripts will be considered incomplete.
- c. Review of transcripts may take several weeks so please start early.
- d. It is the responsibility of the student to follow up on their request for transfer of credit with the Registrar and to obtain confirmation courses have been accepted for general transfer and/or evaluated as equivalents for required pre-requisite courses.
- e. If courses are found **to not** be equivalent to FVCC courses and the applicant would like a course considered as a substitution, they will need to request a course be approved as a substitution by the Nursing Program Director. Transcripts must be evaluated and courses approved before the application deadline. Please include the FVCC transfer evaluation with your application.
- f. Applications without approval of course equivalents or substitutions will be considered incomplete.

6. Complete GPA Calculations Worksheet:

- a. This is checked for accuracy. If you are completing courses Spring Semester, fill in what you have completed and leave the grade and GPA calculation for the courses you are taking blank. The Nursing Program Director will check grades at the end of the semester with final posted grades and determine the GPA.
- b. **GPA is calculated based on the 4 prerequisite courses only (see GPA calculation form).**
- c. If you are taking classes somewhere other than FVCC, please have an official transcript sent with the final grades for Spring Semester 2026 to the FVCC Registrar. We will accept an unofficial transcript as a temporary substitute, but final review of an application does require an official transcript of Spring Semester 2026 grades be on file with the Registrar as soon as possible.

7. Signed Acknowledgement of Program Requirements and Personal Commitment:

- a. Please read carefully and determine if you can meet the requirements and personal commitment necessary to successfully complete the program.

8. Return your application:

- a. Applications may be mailed, or hand delivered to the **FVCC Admission and Registration Office (address below)**. Please mail early to allow maximum opportunity for delivery before the deadline.
- b. All applications will be date stamped upon receipt. Contact information will be entered into a tracking system which includes a current (not FVCC) email address.
- c. It is the student's responsibility to contact the Admissions and Registration Office and the Nursing Department with changes in mailing address, e-mail or phone number.

d. **Mail to:** FVCC Admissions Office
Attn: ASN Program
777 Grandview Drive
Kalispell, Montana 59901

LPN Applicants Accepted into the ASN RN program:

1. If you are a Licensed Practical Nurse and are offered placement into the ASN program, you may request LPN courses be accepted as substitutions for NRSG 230, 231, 232, 233, 234, and 235. For courses to be waived you must:
 1. Have an active, unencumbered Montana LPN license.
 2. Have worked full-time as an LPN for one year, or part-time for two years **in the last three years.**
2. If you do not meet the previous two requirements, you will complete all NRSG courses required for the ASN RN degree.
3. **Currently licensed LPNs who wish to continue their education toward an ASN RN degree must also follow the application process which begins on page five of this packet.**

3. GPA Calculation:

Please complete the GPA calculation sheet below. **If you have courses from prior degrees, out of state colleges, or non-MUS colleges that you wish to be considered as a substitution for any of the prerequisites, these courses must be evaluated and approved by the Nursing Program Director prior to application submission.**

Please refer to the following sample, as a reference for completing the selective GPA calculation worksheet below.

Course	Name	Grade	Points	Credits	Points x Credits
BIOH 201 NL	Human Anatomy & Physiology	B	3.0	4	3 x 4 = 12
M 121/140 M	College Algebra	B	3.0	3	3 x 3 = 9
WRIT 101 W	College Writing I	A	4.0	3	4 x 3 = 12
CHMY 121	Intro to Gen Chem	B	3.0	4	3 x 4 = 12
TOTAL				14	45
GPA				45/14	3.21

Selective GPA Calculation Worksheet

Fill in the information requested below and calculate your own GPA. If you are currently enrolled in prerequisite courses listed below, indicate "in progress" and do not fill in a grade. All prerequisite courses must be completed by the end of the FVCC Spring semester. Calculations will be checked and verified after final grades are posted.

Instructions for calculating selective GPA:

1. Insert Semester/Year course taken.
2. Insert grade earned for each course (If you have repeated a course, the most recent grade must be submitted.)
3. Enter points based on grade as follows:
A = 4; A- = 3.7; B+ = 3.3; B = 3; B- = 2.7; C+ = 2.3; C = 2
4. Multiply points by credits for each class and enter in last column.
5. Total number of credits completed.
6. Total last column.
7. Divide last column by total credits to find GPA.

Course	Name	Semester/ Year taken	Grade	Points	Credits	Points x Credits
BIOH 201 NL	Human Anatomy & Physiology I (Grade must be B- or better)					
CHMY 121 NL	Intro. To General Chemistry					
M 140/M 121*	College Math for HealthCare College Algebra					
WRIT 101 W	College Writing I					
TOTAL						
GPA	Must be a minimum 2.75					

*M115, M152, M153, M171, STAT216 may be considered for substitution.

**BIOH 201, CHMY 121 must be completed within five years of acceptance into the ASN program.

4. Student Acknowledgement of Requirements for Personal Effort and Commitment to Success:

FVCC's Nursing Programs, as with most nursing programs, require a substantial time commitment to fulfill the intensive requirements of the program in the classroom, nursing laboratory, and clinical settings. Student success is dependent upon a collaborative working partnership by students and faculty. The nursing program faculty view learning as an interactive process with faculty facilitating learning and are committed to assisting you to succeed in the program. Learners must assume responsibility for their own learning and participate in shaping their own learning experiences.

Students must acknowledge and understand the expectations of the program by initialing each paragraph below:

_____ There is a minimal study expectation of two hours of study per week for each credit enrolled. For example, a course that is 4 credits of theory would require minimal 8 hours of study and a 3-credit laboratory 6 hours of study per week. Most students spend more time than the **minimal** study expectation.

_____ Although we hold an appreciation for your possible need to work to support yourself and/or a family, most students find it extremely difficult to work fulltime while attending classes for the Nursing Program. Clinical practicums are scheduled when facilities have available space and are subject to change with short notice. **Clinical/class hours will include evenings, weekends and night shifts.** Clinical times are not listed in the course schedule on the FVCC website. A clinical schedule will be made available to students each semester.

_____ Students are expected to attend all classes and clinicals. Missed clinical time may result in failure of courses and dismissal from the nursing program. **Please do not make vacation plans that would affect attendance in class or clinical. Absences cannot be made up due to the fast pace of material presented in class and the limited availability of clinical experiences.**

_____ Students in the nursing program may not achieve the grades they have received in non-nursing courses. You will be learning a "new language" and exposed to in-depth, comprehensive nursing concepts and principles which may require more effort on your part to learn and understand. Though grades may have been the primary focus of previous courses, the focus in the nursing program is learning, comprehension and application of information needed to deliver safe and competent care to patients/residents.

_____ You are expected to be prepared for class, lab, and clinical. This will include extensive reading, pre-clinical preparation, and other assignments prior to your attendance in class, lab or clinicals.

_____ Most exams given in nursing courses are structured similarly to the nurse licensing exam. This means that most of the items on the exams are application, analysis, and synthesis type questions rather than simple knowledge and recall. These questions require a higher order of thinking to answer correctly.

_____ We provide students with learning and test-taking strategies to assist with developing critical thinking skills necessary for success on the nursing course exams and the NCLEX licensure exam.

_____ The nursing program is very different and much more difficult than past educational experiences. The curriculum is designed to deliver a quality program that prepares individuals to give safe and competent nursing care, to successfully pass the licensing exam, and to promote lifelong learning.

5. Student Agreement of Application Completion:

Please read the following information, initial each item, and sign your name below

_____ I understand that I will be notified in writing after **June 12, 2026**, whether or not I have received placement in the ASN Program to begin Fall 2026 or Spring 2027. Qualified applicants not offered placement will *automatically* form the beginning of a wait list and will be offered placement if, and only if, an opening occurs in this cycle. The wait list does not continue into the next application cycle. Students **who are not accepted may reapply** for placement during the next open application cycle.

_____ I understand that all placements in the Flathead Valley Community College Nursing Program are dependent upon sufficient financial, faculty and clinical resources.

_____ As a transfer student, I have submitted an "Application for Admission" to FVCC and have sent **official** transcripts from **all** colleges/universities listed above to the FVCC Registrar.

_____ N/A

_____ I have included copies of **all** other **official** college transcripts, and an unofficial FVCC transcript, if applicable, with this application.

_____ I have included written verification of courses requested as substitutions which have been approved by the Nursing Program Director, if applicable. This must happen before my application is submitted.

_____ N/A

_____ I have reviewed my transcript(s) and academic standing and I am confident that I will complete or have completed program prerequisites with a grade of "C" or higher, with the exception of BIOH 201, which requires a "B-" or better.

_____ I have included the completed selective GPA worksheet. My selective GPA for these courses is or will be at least 2.75 (on 4.0 scale).

_____ I have reviewed and initialed the Acknowledgement of Requirements for Personal Effort and Commitment for Success section of the application packet.

_____ I have taken the Kaplan Nursing School Admissions test or will be taking it on _____ Date

_____ I acknowledge that if I need accessibility accommodations for the Kaplan test, I have requested those through the FVCC DSS office on campus **prior to testing**.

_____ I understand that if accepted my final admission to the program is contingent upon:

- proof of current personal health insurance for the duration of the program (FVCC Student Health Center does not meet this requirement)
- passing & uploading a universal background check into a third-party vendor software program which may require drug testing (additional information to be sent upon provisional acceptance into the program)
- proof of required immunizations uploaded into third-party program (additional information to be sent upon provisional acceptance into the program).

_____ I have signed the application and included my receipt from the FVCC Business Office for the \$20.00 non-refundable processing fee. (Do not send a personal check, money or money order as this will cause your application to be disqualified.)

_____ I have retained a copy of this application for my records *(It is my responsibility to make my own copy)*

_____ I understand due to limited enrollment capacity, the ASN Program has a competitive student selection process, and not all qualified students will be accepted.

6. Student Signature:

I certify that all the statements in this application and all the documents submitted with this application are true and accurate to the best of my knowledge. I acknowledge that I have read and understand the above statements and if I am accepted into Flathead Valley Community College's ASN program, I agree to organize my time and personal affairs to meet the commitment necessary to succeed.
